(5) Should the issuance of the bonds described in Propositions A and B under Section 5 hereof be authorized, it is estimated that, based on the market conditions as of the date hereof, the District will assess, levy and collect a total annual debt service tax of \$0.40 on each \$100 of valuation of all taxable property within the District to provide for the payment of the principal and interest on such bonds.

Accordingly, the District cannot and does not make any representation, warranty or guarantee as to a particular debt service tax rate that will be levied to provide for the payment of the principal of and the interest on any of such bonds.
